

# Access to Adventure MEMBERSHIP

The Milwaukee Public Museum's Access to Adventure membership was created so all families, regardless of income level, can enjoy the museum and receive the same programming opportunities and discounts as members. An Access to Adventure membership costs just \$55 and includes all the same benefits as a Family & Friends Classic membership (\$99). You save \$44 and receive the following:

- FREE general admission to MPM & Planetarium
- FREE admission to more than 300 museums worldwide—from Illinois to Singapore
- DISCOUNTS on parking, at MPM shops/cafe & on tickets to any regularly scheduled show at the National Geographic Dome Theater
- FREE evening member events, such as Halloween Hauntings & MPM Inside Out
- FREE membership in Clue Crew Kids Club
- FREE subscription to member newsletter & monthly eNewsletter

Your family qualifies if you receive any form of public assistance; live in transitional, subsidized, or emergency housing; or face serious illness or disabilities.

**To apply, bring or send in a photocopy of your Section 8, WIC, MA, Badger Care/Forward, Quest, or SSI card to the museum.**

*See reverse for application form.*
