

Each year on Nelson Mandela International Day, people are encouraged to spend 67 minutes in service of others through volunteerism to honor the 67 years Nelson Mandela spent fighting for social justice.

Throughout the run of *Mandela: The Official Exhibition* at MPM, honor Mandela by continuing his journey! We challenge you to take the "My Mandela Pledge" in service to others. Make Mandela Day every day and develop deeper relationships with your community.

Guidelines:

- **Select** an activity to serve your community.
- **Commit** to serving for 67 minutes in honor of Mandela's 67 years of service.
- Take a photo of yourself making the pledge! **Tag MPM** on social media with #MyMandela67 or **email** us at communications@mpm.edu. We will share your image, and you may be featured in the exhibit.
