SUGAR MAPLE

Wisconsin State Tree

RED OAK

BASSWOOD

WHITE ASH

COTTONWOOD

WHITE CEDAR

TREE FACTS

- Trees provide habitat and food for birds and other animals.
- Trees provide food for us, too! Maple syrup and sugar, fruits, and nuts all come from trees.
- Trees provide shade to keep you cool!
- Trees convert carbon dioxide into oxygen that we breathe.
- We use the wood from trees for many things, including lumber for building and paper.
